November 2010

Dear Branch Officers and Tower Captains,

Young Ringers' Award 2011

The Guild's Education Committee is again running this key activity next year, following the success of the previous initiatives, the most recent one being in 2008.

I would be most grateful if you could please do the following:

1. Encourage any under 18's in your branches and towers to consider taking part.
2. Urge them to look at the Guild website to find out what is involved and to download the necessary forms.
3. Notify the Secretary of the Education Committee of the names and towers of any likely participants.

Please note that participation in the scheme requires written permission from a parent or guardian, **which must be received by 31st December.**

It is our hope that the suggested framework, which is slightly amended from last time, will provide stimulating and worthwhile activities throughout the year for candidates of a spread of ages and abilities. I commend it to you and to your young ringers.

Thank you very much.

Yours sincerely,

Robert H Newton, Guild Master
